Emergency Preparedness, Response, and Salvage Workshop

Tuesday May 9, 2023, State Records Center and Archives
1205 Camino Carlos Rey, Santa Fe, New Mexico 87507

Wednesday June 7, 2023, UNM Health Sciences Library and Informatics Center
2400 Marble Ave. NE, 87131, Albuquerque, New Mexico 87131

Join the Northeastern Document Conservation Center for lively discussion and hands-on workshop on disaster preparedness. Workshops are free and open to archivists, students, collections managers, conservators, and owners of private collections and ephemera.

This workshop will introduce key concepts of disaster recovery including risk assessment, preparedness, response procedures, and recovery actions. The agenda also includes detailed discussion of the importance of prioritization, and participants will leave having practiced wet salvage techniques.

Workshops begin Promptly at 9:00AM and end at 4:00PM (2hr lunch in-between)
Check-in at 8:45. Accepting up to 30 participants at each location.

Deadline to register for May 9 is Wed. May 3

Deadline to register for June 7 is Wed. May 31

Please reserve your spot early as spaces fill up quickly.
