Join us for the Fourth Year of the New Mexico Supreme Court's Rule of Law Program

We are inviting students to observe the role of our judicial system in our democracy.

Schools across Albuquerque and central New Mexico may witness our judicial process in person by attending a live oral argument! We have written materials for students and educators to review as well as a suggested lesson plan. After argument, while the Court deliberates, attorneys for both sides will be available for a question and answer session.

Those schools who are not able to make it to the live oral argument may view a live stream of the case. You may request that a Justice meet with your class and discuss the case, either in person or virtually.

If you have any questions, or would like to register your students to attend, please contact Tamara Mitchell at 505-827-4932 or by email at suptdm@nmcourts.gov as space is limited.
