

## Reflect on It

A virtual workshop for early childhood teachers.

Includes 2 CEU hours

Why do we see ourselves in mirrors? How are shadows made? Use mirrors, light boxes, flashlights, and sunlight to explore white and colored light. Bounce and bend light as you create rainbows, shadows, and more.

Participants will leave with a kit of science materials, ready-to-implement ideas, and a membership to NMAEYC.

**Thursday, November 19, 2020, 1–3pm**

Held virtually. Zoom link will be sent to registrants the day before.

Registration is requested by November 10 so that kits can be pick up or shipped ahead of time for first 20 registrants. Sharing a login and kit of materials is possible.
