

Tales of Animal Tails and Adaptations

A virtual workshop for early childhood teachers.

librarians, and out of school time.

Includes 2 CEU hours

Come explore amazing animal adaptations! What is life like without an opposable thumb? Can you engineer ears for different purposes? Discover connections between literature and hands-on STEAM activities during this two-hour workshop.

Workshop includes a kit of science materials
and ready-to-implement ideas!

Thursday, April 1, 2021, 3–5pm

Held virtually. Zoom link will be sent to registrants the day before.

Registration is requested by March 19 so that kits can be pick up or shipped ahead of time for first 20 registrants. Sharing a login and kit of materials is possible. Please contact Explora Reservations with questions - reservations@explora.us
