

Tales of Animal Tails and Adaptations

A virtual workshop for early childhood teachers.

librarians, and out of school time.

Includes 2 CEU hours

Come explore amazing animal adaptations! What is life like without an opposable thumb? Can you engineer ears for different purposes? Discover connections between literature and hands-on STEAM activities during this two-hour workshop.

Workshop includes a kit of science materials
and ready-to-implement ideas!

Saturday, April 17, 2021, 10am–12pm

Held virtually. Zoom link will be sent to registrants the day before.

Registration is requested by April 5 so that kits can be pick up or shipped ahead of time for first 20 registrants. Sharing a login and kit of materials is possible. Please contact Explora Reservations with questions - reservations@explora.us
