

Oceans of Possibilities

A virtual workshop for librarians and out-of-school time providers

Bring clouds, mountains, aquifers, and oceans to your library this summer! During this workshop, you'll learn hands-on STEM activities to use with all ages. Explore a paper mountain watershed, engineer an acequia, and more in this two-hour virtual workshop!

Sign up for one or both:

Thursday, March 10, 2022, 10am-12pm

REGISTER HERE: <https://forms.gle/9ujwxtKzd1kXFDk76>

Thursday, April 7, 2022, 10am-12pm

REGISTER HERE: <https://forms.gle/9ujwxtKzd1kXFDk76>

Registration is required 10 days before in order for kits to be picked up or shipped ahead of time for first 20 registrants. Sharing a login and kit of materials is possible. Please contact Explora Reservations with questions - reservations@explora.us

This workshop is offered at no cost with the generous support of the Institute for Museum and Library Services
